Description

Beautiful design mid Victorian ruby glass wine glass of massive proportions. The large round flat base is well worn around the bottom edges and has a rough broken off pontel mark to the centre. The clear stem is a great design and is hollow inside. The ruby cup has some great imperfections in it as you would expect. I don't think I have ever seen such a big Ruby glass before. SIZE; 4 1/2" diameter, 8 1/4" high CIRCA; 1860 - 1870
