Description

A nice big solid old box bench / settle, with plenty of storage space under the lift up seat. It has recently been stripped of its original paint and is now in the bare wood. It is in a rustic condition with plenty of aged related marks that add to its charm. Dating from 1870, it is still in very good working order for its age. If you would like it restored and wax polished we can do this for you, or you can take it as it is in its unrefined natural state. We also offer a painting service, if you would like us to paint it for you - please contact us for a quote. These storage seats work well in a kitchen storing kitchenware etc inside the seat or in a large hall or boot room storing shoes/boots. Price in the bare wood £490 Price including our wax polishing service £547 Height top of back rest 39", seat height 20.5", length 78.5", depth 22"
