Description

Stunning set of antique Swedish Satin Birch Biedermeier chairs in excellent condition, having just been polished & re-upholstered. I've had many similar pairs of the armchairs like these, but rarely had the matching four chairs. The pair of armchairs could be used separately & the four matching chairs could be put around a small dining table. The chairs have a beautiful grain in the satin birch & they have some nice ebonised features. They have bold Trafalgar backs & sabre legs. These chairs date from around the 1890-1910 period. Please enlarge all the images to appreciate the lovely silky finish & grain of the wood.
