Price

Sold**Item Reference: SA484949****Date of manufacture: 1930**

Description

A 1930s silver Omega pocket watch. The watch has a stem-winding movement which is working nicely. The movement is signed with the Omega name with the calibre number 40.5L.T2.15P and the serial number of 7760472 dates it back to the early 1930s. The movement is protected by an inner hinged cover upon which are details of the trade medals won. The watch itself measures 48.6mm diameter excluding the winding stem and the loop. The case is silver and there are .800 Continental marks inside both of the case backs, together with the early Omega logo. The case is in nice condition with only a small "ding" to the outer edge and light surface marking from use. The watch glass is in nice condition. The signed white enamel dial is in lovely condition. Blue steel hands, a subsidiary seconds dial and an outer minute track with 24 hour markers. The watch has gold breguet style hands and a blue steel second hand. The watch will be sent in a new presentation box. Price includes worldwide postage.
