Description

These rare wall lights are by and signed by Muller Frères a French designer of glass. The lights date to the 1930s. The glass is housed in nickled bronze, so are quite heavy. There is no damage at all or wear to the glass. There is some patination to the nickle bronze which can be seen in the pictures which can be cleaned but we have left as is incase the new owner prefers as it looks at the moment. Both lights are re-wired with a standard UK bayonet fitting.
