Description

Victorian Mahogany Side Table Charming 19th century mahogany side table with a single drawer on elegant carved tapering legs and original brass castors. It has a solid mahogany top with moulded edge and attractive cut corners. It is in good original condition with a rich patina. It is strong and sturdy and the drawer runs well and the table moves well on its castors. There are normal signs of age and wear and it has some minor knocks and marks around the legs and feet but nothing detrimental. It is a good honest little table with an unusual and attractive design. It has been cleaned and given a light polish and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions please ask.
