Description

A very fine quality inlaid mahogany pedestal desk of generous proportions by the renowned cabinet makers Maple and Co. Very well made in solid mahogany with attractive mahogany veneers. The desk is decorated with inlaid stringing and satinwood cross-banding throughout. It is finished to the rear so could be free standing with a room if desired. There is a series of one long central drawer, flanked by two banks of 4 graduated drawers. All fitted with their charming original brass handles. There are also a pair of pull-out trays to expand the working surface. This desk is of inverted break-fronted form with a gentle concave shape to the breakfront. All standing on ogee bracket feet. The top is fitted with a sumptuous black leather writing surface which is decorated with blind and gilt tooling. It splits into 3 pieces for ease of installation. We have had this desk sympathetically repolished in our workshops to a very high standard. It is now offered for sale in excellent overall condition, with a wonderful colour and patina. It is ready to go straight into the home or office. Dimensions: Width 153cms Depth 86cms Height 80cms Knee-hole width 67cms Knee-hole height 60.5cms Ma...
