Description

A Pair of Antique Carved and Painted Corinthian Type Columns These are a very tall pair of Carved Wooden Pillars, they are in their original mossy green paint The Columns are reeded in the Greek style with decorative scroll pediments, the paint is shabby and has a delightful patina and seems to be original The bases which are pine look like they have been added later as they are not the same as each other but they would probably need to be altered to suit their new position The Columns are strong and sound and have a multitude of uses, they are delightfully decorative each one is 91" tall, the tops are 8" x 8.5" FN156 We Give Free Delivery to Mainland England & Wales, Delivery times vary according to your location usually 7 to 28 days We only operate an online store and regrettably viewing in person is not an option.
