Description

Very nice farmhouse dining table set on thick turned legs. It has the original planked top which has developed a rich aged patina. It has been sympathetically restored to retain all the various marks, knife cuts and signs of use on the surface while making a clean, smooth waxed finish. It is a very sturdy table and has been raised slightly to make it the perfect height to sit at. It is just slightly under 4ft in length and sits 4 very comfortably. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Nationwide delivery available.
