Description

Good pair of NARROW (only 16" max) Georgian Scottish mahogany hall tables. Demi-lune shape tops with triple reeded edges and three moulded square legs. The tables are both in reasonably good order with sympathetically re-polished tops. They are both genuine antique pieces that have not been altered as such but originally formed the ends of a dining table. Nice colour. Getting narrow tables for a hall way is very difficult, these are perfect for such a purpose. SIZE; 48" wide by 16" deep by 27 1/2" high CIRCA; 1800 - 1810
