Description

Regency mahogany demi lune ended extending dining table of excellent proportions standing on turned and finely reeded legs terminating on solid original brass castors. The five solid original mahogany leaves, which can be added or subtracted from the two dining table ends, all have good figuration and colour. The telescopic superstructure is made in solid mahogany and the dining table extends fully to accommodate 10-12-14 diners. The fine reeded legs stand on the original brass castors. This fabulous table is attributed to the famous makers Gillows of Lancaster.
