Description

A very good quality Victorian mahogany trolley / whatnot dating from the mid 19th Century. It has two tiers supported by elegant turned columns with four turned finials standing on the original brass castors. It is in good original condition and is a sturdy piece. There are some old minor surface marks and general light signs of wear but nothing detrimental. It has a lovely deep rich patina. It runs well on the castors and is a solid piece. A very useful and functional piece of furniture. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. We have a network of national couriers and operate fortnightly deliveries to London. Please get in touch for a quote.
