

SA487611

1901 silver Waltham Riverside pocket watch & chain

Price

Sold**Item Reference: SA487611****Date of manufacture: 1900**

Description

Antique 1901 Waltham Riverside pocket watch and double albert. The watch has a stem-winding movement, Riverside grade, which is working nicely. The movement is signed and the serial number 10505254 dates it back to 1901. The movement is protected by an inner hinged cover. The watch measures 50.5mm diameter excluding the winding stem and the loop. The case is silver and has Birmingham hallmarks for 1901 with the case makers mark for Alfred Bedford, manager of Waltham, London. The case has light rubbing to the engine turned detail on the back but overall it is in nice condition. The later acrylic lens is in good condition. The enamel dial is signed Waltham and has a short faint hairline crack under the sub seconds dial and a faint surface scratch at 3 o'clock but otherwise it is in nice condition. Original blued steel hands. The watch comes with a silver double watch chain, hallmarked for 1920 with a maker's mark for the Birmingham silversmith William Cashmore. Each chain measures 20.5cm long including the T-bar and the clasp. Total weight of the chain is 30g. The watch and chain will be sent in a new presentation box. Free worldwide shipping
