Description

Good mid 19th century properly Coopers oak and brass cider tankard. The tankard is a nice shape with staved oak body with brass bands and brass top. Original oak and brass ended handle. The handle is bit loose at the top but it looks to me like it was made to come off. The tankard is a nice colour. SIZE; 4 1/2" diameter. 8" high CIRCA; 1860 - 1870
