Description

We have a pair of these tables, just in case someone wants both together. They came out of the same residence. However I'm selling them separately, because not everyone will want a pair. This nest is antique Queen Anne style from the 1920's & very good quality. They have burr walnut tops, fronts & sides. The tops are shaped & carved. The fronts & sides are beautifully shaped too. The solid walnut legs are well carved all over. This nest is in good condition. Width - 21.3", 54 cm Depth - 16.2", 41 cm Height - 22.5", 57 cm
