Description

Size: 9ft 11in x 7ft 0in (303 x 214cm). Antique Tekke Turkmen main carpet with 4 rows of 14 guls. Circa 1900. The carpet has a brick red ground colour which gives the carpet a very warm feel. The guls are well drawn and cochineal dye is used in the central quartered design. The border is a traditional Turkmen octagon design with many interesting elements. The carpet is in excellent condition with slight even wear with good pile. There are a number of small old repairs that have slightly faded, these can be seen in the images.
