## Description

A gents 1915 silver trench watch. The watch has a Swiss 15-jewel hand-winding movement which is working nicely. The watch itself measures 33mm diameter excluding the winding crown and the fixed lugs. The case is silver and there are hallmarks inside the hinged case back for Glasgow (import mark), 1915. Overall the case is in good condition, just some surface marking and a shallow indentation to the back. The watch glass is in good condition. The white enamel dial has a little marking, and some very faint traces of the original retailer's name. There is a short scratch over number 11 but overall it is in a very acceptable condition. Blued steel hands, a subsidiary seconds dial and an outer minute track. A new leather strap has been fitted. The watch will be sent in a new presentation box. Free worldwide shipping
