Description

A magnificent piece of heavy crystal has been transformed with the intricate hand-cut decoration creating a really tactile box, deeply cut with a crisp finish. The box is a very pale pink in colour and has a brass collar and hinge with a lock, alas no key. The collar would have originally been silver plated, rubbed now to create an attractive two-tone finish. Dating to the late Victorian era, the box remains in excellent condition with a couple of tiny rough spots to high points commensurate with age. 4 5/8" in diameter x 4 1/8" tall.
