Description

A superb 19th Century camphor wood two part campaign chest of drawers with two short over three long drawers with ebony stringing. This fine antique military chest has its original brass corner plates, flush drawer handles and substantial brass carrying handles to both sections. The colour and patina of this Victorian campaign chest is excellent and the condition is very good. There is a minor crack to the inside of one short drawer, but this is not visible or detrimental as the drawer is still sturdy. This is a lovely example of 19th Century campaign furniture offering excellent storage facility and decorative appeal. c.1880 Width: 37.5" (95cm) Depth: 19" (48cm) Height: 38.5" (98cm)
