Description

There are a pair of these antique sofa tables available right now. I might separate them, but other dealers are always telling me that they are very sale-able in pairs. The grain of the wood is spectacular all over & they are finished on the backs too. The top has shaped drop flaps & is cross banded around the edges. These tables sit on strong flat supports which are on well define pad feet. The drawers are finely dovetailed & have brass handles. They are in good condition & have a lovely mellow colour. I would date them to around the 1910-20's period. Width - 38.5", 98 cm Open - 59", 150 cm Depth - 25", 63 cm Height - 29", 73 cm
