Description

Walter Battiss South African, (1906-1982) Stunning and highly unusual abstract work on paper - executed in a variety of media including pen, ink and gouache paint. A well renowned abstract artist whose works make several thousands at auction. This particular creation I find very interesting and advanced in its nature I believe this to be one of his more sort after paintings. It reminds me of something, just not quite sure what, a good sign for a painting of this type. I say this type, but it is actually quite unique, maybe a touch cartoon nature about it. Micky Mouse ! Top Cat , Freddy Flinstone! anyway,, Whoever buys this im certain will be ever drawn to it as i have been since i first pondered it. Size, 22.5cm by 31.5cm
