Description

A splendid French mahogany glazed bookcase of compact proportions from the Empire period. Of good construction in solid mahogany and mahogany veneers onto a solid oak carcas. The bookcase is decorated throughout with inset brass work (moldings and flutings) which is very attractive to the eye. The glazed door (lockable, key supplied) opens to access a display space with 2 adjustable shelves. The door is presently fitted with its original pleated material behind the glass but this could be removed if desired. The top is inset with a white marble which is surrounded by a brass gallery. We have had it sympathetically repolished to a very high standard in our workshops. It is now offered for sale in excellent condition with a great colour and patina, ready to go straight into the home. Dimensions: Width 70cms Depth 39cms Height 151cms
