Depth = 66 cm (26.0")

Description

A superb pair of deep button-backed leather upholstered library chairs from the early Victorian period. Very well made, with solid mahogany frames in a scrolling style. We have had them professionally re-upholstered in sumptuous antiqued black leather with deep button backs and brass studs to the surrounds. They are very comfortable and stand well on their original brass castors. They are offered for sale in excellent condition, with a great colour and patina. Dimension: Width 70cms Depth 66cms Height 110cms

Internal Ref: 953
