Description

An antique Nallog silver pocket watch, 1918. The watch has a Swiss stem-winding movement which is working nicely. The movement is stamped Nallog, 7 jewels, Swiss made. The movement is protected by an inner hinged cover. The watch itself measures 49.5mm diameter excluding the winding stem and the loop. The case is silver and there are hallmarks inside the case backs for London (import mark), 1918, with an importer's mark for George Stockwell. The case has light surface marks from use but otherwise it is in nice condition. The watch lens is plastic and is in nice condition. The white enamel dial is signed Nallog. The dial has an old repair between 4 & 5 o'clock but otherwise it is in nice condition. The watch has its original blued steel hands. The watch will be sent in a new presentation box. Price includes worldwide postage.
