Description

A 1920s gold plated pocket watch and chain. The watch has a Swiss stem-winding movement, with 15 jewels, which is working nicely. The movement is protected by an inner hinged cover. The watch measures 50mm diameter excluding the winding stem and the loop. The case is gold plated and was made by the Dennison Watch Case Company of Birmingham, UK, prolific manufacturers of cases for various watch companies. The case is in lovely condition. The acrylic lens is in good condition. The white dial is in very nice condition with blued steel hands, a subsidiary seconds dial and an outer minute track. The watch comes with a single watch chain which measures 25cm long including the clasps. The watch and chain will be sent in a new presentation box. Free worldwide shipping
