Dimensions

Height = 155 cm (61.0")

Width = 46 cm (18.1")

Depth = 46 cm (18.1")

Description

Early 20th Century Brass Electric Telescopic Pedestal Fan, by Mirelli, Industrial Antique A very stylish good looking piece, with brass blades, cage and fittings, the height can be altered as can the angle, there is floor level switch in the heavy round base, the fan swivels when it is on This piece looks to be in good condition, the motor responds when connected to the electric supply but as it dates from 1917 we do not take any responsibility for the electrical part of this piece, it will probably need some attention by a professional, otherwise it could be dangerous The Fan stands approximately 61" tall, the diameter of the fan housing is 18" THT37 We Give Free Delivery to Mainland England & Wales, Delivery times vary according to your location usually 7 to 28 days We only operate an online store and regrettably viewing in person is not an option. In the unlikely event you wish to return an item you should contact us immediately. We will then arrange for you to return it to us at the buyer's expense, the item must be returned back with us in the same condition as it left and a full refund will be issued there may be a small surcharge to Scotland please enquire tu...
