Description

A really good looking 19th century Mahogany Partners Desk, it has 9 drawers to the front with extremely useful cupboards to the back of the desk. It has brass swan neck handles to all the drawers and brass escutcheons to the drawers, unusually it has a antique red leather to the top which unusually appears to be original but it is in good condition with only the usual wear. The desk comes in three parts for ease of moving, this is an excellent Period Desk. Dimensions are approx. 39 inches deep, 60 inches wide and 31 inches tall.
