Description

Fine quality antique Victorian mahogany chest of drawers with a solid mahogany top, rounded corners, deep graduated drawers & turned handles. The bottom drawer is extra deep, because the plinth is attached to it. This chest is very similar to the many examples I normally have, except that it has larger bun feet, which are original. If someone wants this with much lower bun feet, we can arrange. This chest of drawers is in lovely condition & has a great original colour. Width – 40.5?, 103 cm Depth – 19.3?, 49 cm Height – 46.9?, 119 cm
