Description

A superb William IV open armchair with bobbin turned back and arm supports. This oak chair is raised on sturdy bobbin turned legs with terminate with the original ceramic castors. The armrests are gently shaped for comfort. The feather filled cushions have removable covers in a linen type fabric in a warm raspberry shade. The seat cushion sits on a leather base which adds to the comfort and appeal of this beautiful antique chair. The chair is in excellent condition, sound and stable and ready to place in any setting, either traditional or modern. c.1830
