Description

A very fine silver magnifying glass made by the master silversmith's 'Asprey'. A most unusual and rare shape, The convex glass is surrounded by a silver edge, with a fine silver handle attached to one end. A very tactile item feels nice to hold and the magnifying glass works perfectly well. Clear hallmarks for the Birmingham Assay Office are visible on the handle along with the Lion Passant indicating sterling silver. The date mark on this part of the handle is worn, however, there is a clear date mark for 1913 on the silver edging (see images). The maker's mark 'Asprey & Co' is also visible. A very collectable item. Condition: This item is in great antique condition. Hallmarks and maker's marks: Birmingham 1913 by Asprey & Co Length: 8.8 cm approx Width: 2.5 cm approx. Depth: 1.0 cm approx Lens measures 6 cm x 1.5 cm approx. Weight: 24.07 grams approx.
