Description

Fine quality solid oak revolving desk chair from the Edwardian period. English and dated to about C 1910. This delightful desk chair is extremely heavy and robust, as well as being very comfortable and offering good back support. The castors allow easy movement and the steel revolving action base runs smoothly. Chair height 32" width 25" and depth 21" The seat height is 18.5" We have lightly refurbished this chair, wax polished and show it here in excellent working condition. Please call for any further details.
