Description

A 1908 Waltham miniature silver pocket watch and chain. The watch has a stem-winding movement which is working nicely. The movement is fully signed and the serial number of 17,257,186 dates it back to 1908. This movement was produced from 1906 to 1917. This particular movement is protected by an inner hinged cover. The watch measures 34mm diameter excluding the stem and the loop. The case is silver and is hallmarked for Birmingham 1909, together with the maker's mark for Aaron Dennison of the Dennison Watch Case Company, a company who made many cases for Waltham and other watch factories. The case is beautifully detailed all the way around and it is in lovely condition. The watch glass is in good condition. The white enamel dial is in lovely condition. The watch comes with a single silver chain, 31cm long including the T-bar and the clasp. The watch and chain will be sent in a vintage presentation box. Free worldwide shipping
