Description

3 Meter French Cherry Wood Farmhouse Table This is a lovely looking piece, the 1" thick solid cherrywood top is made from 4 wide planks, it has an interesting extra, half way along one side there is bread slide, very useful and could be used for the wine as well as bread, the choice is yours. The legs and frame of the table have an H stretcher and are made in golden oak. The table though old is very sturdy, no wobbles or loose joints with only a few signs of a previous life, there are some signs of historic woodworm, this has been re-treated to be absolutely sure it is dead. The table is 31" wide, it is 111" long, it is 31" high and 25" under knee and will seat 14 diners.
