Description

This is a very fine example of a classic wristwatch made by the world renowned maker Rotary. It has the manual winding calibre 830 17 jewel movement, beautifully made. Everything about this watch is original, the dial has not been retouched or restored and is in superb condition, it looks as though it has been in its original box all of its life. The case has been professionally polished and is in wonderful condition. As you would expect the watch is fully marked on the dial and movement. This is a rare opportunity to own a genuine Rotary in beautiful original condition. It comes complete with a new premium quality black leather strap. Rotary are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch measures 34mm long x 24mm wide not including the crown. The watch has been fully serviced. It has been professionally overhauled, the process is highly detailed and meticulous. It is stripped down to its component parts and each part is examined under a microscope for signs of wear, any worn parts are replaced with genuine manufacturers parts. Each part is then thoroughly cleaned in...
