Description

Beautiful Victorian mahogany chest of drawers dating from the late 19th Century. Excellent quality and very well made with a lovely rich patina. The drawers run well and it is a clean sturdy set with all the original turned knobs and brass escutcheons. Internally the drawers are clean and tidy and some have old paper linings. There are the usual small signs of wear and a few marks and some minor fading but nothing detrimental and they display very well. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Free local delivery and regular delivery trips to London for £50. Nationwide delivery available, please get in touch for an accurate quote.
