Description

Charming pine side table with a single drawer on pretty turned legs dating from around 1900. It is 'barn fresh' with many layers of original chippy paint and an attractive green finish. It is in good original condition and is largely untouched. We have strengthened the joints to make sure it is strong and sturdy and the drawer runs well. One of the ceramic knobs has a small chip but it isn't detrimental. It is free of any signs of woodworm and the table displays beautifully. It has been cleaned and given a light wax and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions please ask.
