Description

A superb French giltwood armchair, the beautifully carved frame highlighting the circular form of the back and seat. The arms are carved with acanthus leaves and gently padded for comfort. The chair is raised on elegantly fluted legs. Recently reupholstered in a soft duck egg blue linen fabric and finished with smart double piping to compliment the mellow gilding. The overall condition is very good, there is lovely wear to the gilding and a few areas that show use over the years (please see photographs for details) The frame is in excellent order and the chair is firm with no wobbles. The chair is a lovely example of its type and would add style and elegance to any room. c.1870 Height: 37" (94cm) Width: 26.5" (67cm) Height of seat: 16.5" (42cm) Depth of seat: 20" (51cm)
