Description

A chunky 1913 Waltham pocket watch & chain. The watch has a stem-winding movement which is working well. The movement is signed with the American Waltham Watch Company name and it has the serial number 19199087 which dates it back to 1913. The watch measures 58mm diameter excluding the winding stem and the loop. The nickel case is in very nice condition. It has a screw-on bezel which also allows access to the movement. The thick glass has light surface marking from use but overall it is in nice condition. The dial is signed Waltham and has red outer minute markers. The dial is in nice condition. The watch has its original blued steel hands, a subsidiary seconds hand. The watch comes on a vintage nickel double albert chain with a small fob depicting the lords prayer. Each of the chains measure 18cm including the T bar & clasp. The chain is in nice condition. The watch will be sent in a new presentation box. Price includes worldwide postage.
