Description

19th Century mahogany dentist's cabinet made by "Ransom & Randolph Co, Toledo, Ohio, USA" in fantastic condition, all the original hardware, the top section consisting of various drawers, doors and secret compartments, the bottom section having a pull out slide above a selection of eleven drawers, with a drawer to one side of the cabinet and three pull out trays the other side, it's also quite interesting to add that one of the small central drawers on the top section acts as a fully functional locking mechanism for all of the drawers and doors, with fielded panels on the sides and back of the cabinet, standing on a plinth base. Circa 1890. 24" x 19" x 59 1/2" high 61cms x 49cms x 151cms high
