Description

A very decorative Chinese lobed shaped vase with fluted body and pierced collar rim. This early 20th Century blue and white vase is hand painted in a good mid blue with a stylised oriental scene depicting a crane surrounded by blossoms and foliage. The condition is generally good, there is a firing crack to the base and the glaze is slightly patchy to a small area of the base, neither detracts from the charm or decorative appeal of this antique vase. A really attractive and well proportioned antique vase with huge decorative appeal. c.1920 Height: 8.75" (22.5cm) Width of body: 6.5" (16.5cm) Diameter of base: 4.5" (11.5cm) Diameter of rim: 4.5" (11.5cm)
