Description

This is an exceptional and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Omega. It has a solid 18ct white gold case with brilliant cut diamonds around the case and to the shoulders which are incredibly white, bright and crisp. It has attached a beautiful snakeskin design bracelet which simply glides around the wrist. The two largest diamonds are 1/3ct each and the total diamond weight is 3cts. Everything about this watch is completely original and it is in superb condition. The watch is part of the 1960s Omega Saphette range and was designed by their most famous jewellery designer Gilbert Albert, if you search for the name you will find extensive details about his achievements. He was one of the greatest designers of the 20th century and his items rarely come onto the market. The case measures 17mm in diameter not including the crown. It will fit a maximum of just over 6.5 inches but this can easily be reduced by any competent jeweller. It is quite stunning, the case has been professionally cleaned and polished so it is absolutely pristine. The calibre 580 17 jewel manual winding movement is an absolute gem, sp...
