Depth = 8 cm (3.1")

Description

A golden opportunity to buy a wonderful pair of original 1930's Art Deco Wall lights. Octagonal in shape with a Bakelite back plate and surround holds the stepped opaque glass shade which has a raised diamond pattern to the center. The thick opaque glass has a slight opalescent quality to it which looks very attractive both lit and unlit. The shade can be removed easily by unscrewing the two chrome plates which are at the top and bottom of the light. These lights are many possibilities of where they would look great, office, hall way, bathroom. They are a great size too measuring 31 cm height 14 cm width. Condition is as good as you could ask for to be honest, minimal signs of age. The backing plate is stamped inside: "PERWIS" REG PAT APPLIED FOR REG DESIGN NO.771810
