Description

This fabulous quality George V silver spectacle case is made by the renowned Cohen and Charles in Chester. The case has machine turned banding to both sides and features a round vacant cartouche to the front. The front hinges upwards and is sprung loaded which closes with a pleasing snap. The interior lined in a wonderful purple velvet to protect the glasses from any scratching. A fine collector's item and lovely gift idea. Postage and Packing contribution :- £8.00 UK £15.00 Worldwide Condition :- Excellent, with no splits, dents or breaks to the silver. The interior is in excellent condition and the hinge is strong. Hallmarks :- Clear and readable. Maker :- Cohen and Charles. Date :- Chester 1920. Width :- 11 cms. Depth :- 4 cms. Height :- 2 cms. Please note the glasses case is designed for small wire work glasses, rather than our larger modern day glasses.
