Description

A stunning example of Eric Kirkman Cole's table lamp in superb brown bakelite. Made and designed in the 1930's and produced in European countries under License. The shade is mounted to a shoulder joint and can be adjusted in all directions, giving Directional lighting as required. The curved swivel arm rests on a streamlined base with an individual on/off switch. Condition is excellent no flaws to mention. We currently have a pair of these, this listing is for one.
