Description

A Very Large 19th Century Carved and Parquetry Oak Draw Leaf table. This table comes from the south of France or maybe Spain it certainly has a Spanish revival look. The carved table base is all made in solid Oak, the table stands on large carved legs with large hairy paw feet and it has a decorative wrought iron stretcher. The table top is in solid Oak parquetry with a rectangular inlay, this design is very popular in France and Spain. The table has two large leaves that draw out from each end on sturdy wooden supports making the table almost 11ft long. The table is in very good condition, it has fabulous patination especially the top, there are no breaks, splits, loose joints or wobbles. This is the sturdiest extending table you will find and this a particularly pretty example and it can double in size for special feasts. The table is 32" high. Closed the table is 71" x 41". Extended it is 130" x 41", the table will dismantle for ease of access. HT125 We Give Free Delivery to Mainland England & Wales, Delivery times vary according to your location usually 7 to 28 days.
