Description

Circa 1920-30, this little six sided Arts and Crafts decorative copper porch light/lantern has been rewired to UK specifications and comes with the original glass panels. It measures 26cm in total from the big ring at the top - to the base, and it has an additional 30cm of very nice original chain with it, and a matching ceiling fitting. The panels measure 13.5cm in length and 8cm wide each, and the top side edges are 10cm each. We have included postage and packing within the UK mainland area only, but for further afield or abroad, please contact us for a delivery quote. Alternatively, the item can be viewed by appointment with us in Surrey as we no longer sell through a retail outlet.
