Description

Antique gun metal Omega pocket watch & chain. Circa 1900 The watch has a stem-winding Omega movement which is working well. The nicely jewelled movement is signed with the Omega logo on the balance cock. The watch measures 47.3 mm diameter excluding the winding crown and the loop. The gun metal case is signed Omega and has the serial number 1417685. The case has light surface marking and pitting from use but overall it is in nice condition for its age. The watch lens is glass and is in nice condition. The dial is in nice condition. The watch has its original rose gold coloured hands. The watch comes on a vintage gun metal double albert chain which measures 19.5 cm on each of the longer chains including the T bar and clasp. The watch will be sent in a new presentation box. Price includes worldwide postage.
