Description

Good early 20th century Tekke Turkman Ensi rug of a very pleasing design. The rug is basically in pretty good condition for its age, there is overall wear that is slightly worse in places but nothing serious. The colours have faded out a bit over the years making this now a very pleasing mellow colour. There are no holes or repairs. Someone has at some time fairly recently put black tape to the edge of the underside but this could be carefully removed if required. SIZE; 6 foot by 4 foot 2". CIRCA; 1900 - 1910
