## Description

A fabulous novelty English Victorian silver plated ice bucket. Has rock/shell decoration to the base and icicles hanging from the handle and rim, it also has a removable pierced strainer. Has diamond registration mark which dates it at 13th May 1875. Please note: the darker areas of the bucket are shadows from the photography and are not damages to the silver plate. Worldwide, first class, tracked and signed for delivery is included in the price. Measurements: Height (handle down): 5" (approx 12.5cm) Height (handle up): 9 1/2" (approx 24cm) Diameter of top: 5 1/2" (approx 14cm) Weight: 776g This is a most unusual ice bucket, the first we have come across of this type, so if you want something a bit different this is it! In good condition
