Description

A tall slim antique pine cupboard dating from the 1920's. The partly glazed door open's from left to right, and there are 3 shelves inside. A pretty small carved decorative piece in the centre of the door panel. We currently have a pair of these cupboards: one opening to the right and the other to the left - if you would like to buy both together then please let us know. These tallboys make excellent storage cupboards in hallway's or bathrooms. Hiding away all those unsightly things such as towels/toilet rolls/bags/hats/dog leads etc. It has recently been stripped to the bare wood so is now ready for waxing or painting. If you would like us to paint it for you then please contact us for a quote. The price includes our professional wax polishing service. Height: 64", width: 17.5", depth: 17"
